

Qwiek[®]

For meaningful moments in care

A photograph of an elderly woman with short grey hair sleeping peacefully in a hospital bed. She is wearing a dark blue hospital gown and is covered with a dark blue blanket. Her head is resting on a white pillow. To her right, on the wooden bedside table, is a small, white, rectangular device with a circular sensor, which is the Qwiek Snooze device. The background shows a window with light blue curtains featuring a pattern of dark blue and green leaves. The lighting is soft and warm, suggesting a nighttime setting.

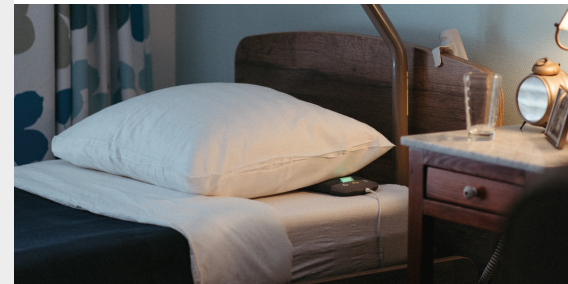

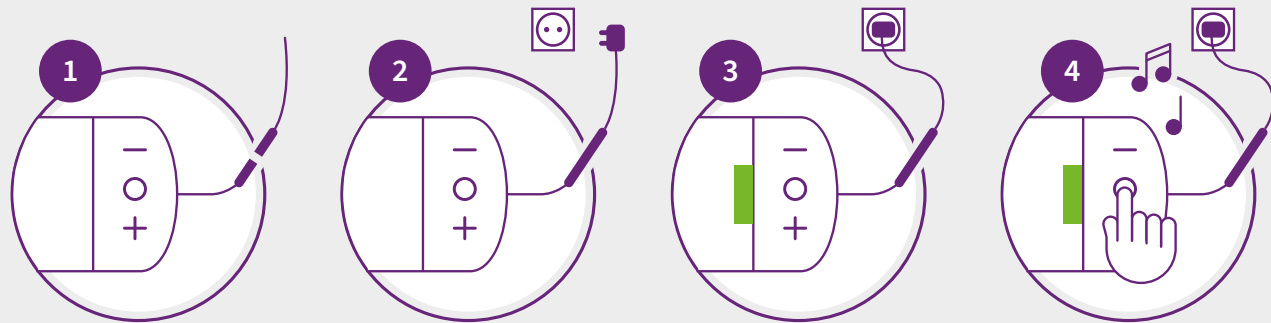

Qwiek[®].snooze

Have a good night.

Welterusten. Gute Nacht. Godnat.

Get started.

Aan de slag. Los geht's. Kom igang.
